David Harber : Assorted Nasties before purchasing it in order to gage whether or not it would be worth my time, and all praised Assorted Nasties:

1 of 1 people found the following review helpful. Scientifically entertaining By John Trimpe Great info if you have the lab equipment necessary to do this, along with operational familiarity with lab procedure; otherwise, a bit limited for practical application. Still a good, if unconventional how-to treatise on a form of warfare that dates back to the era of

castle-siege strategy. 4 of 4 people found the following review helpful. good book
By peterit is a good book to read to gain more knowledge about toxicity, and some other equipments that comes with those toxic1 of 1 people found the following review helpful. get the NFPA HAZMAT manual
By XUSMICOa condensed reference of basic chemical(s) that can cause harm. much better info can be found in any HAZMAT manual or NFPA hazardous chemical book.
