Gale Beth Goldberg : Bamboo Style before purchasing it in order to gage whether or not it would be worth my time, and all praised Bamboo Style:

0 of 0 people found the following review helpful. pretty good bookBy David RobertsJust looking for ideas using bamboo, pretty good book!!0 of 0 people found the following review helpful. everything you want to know about bambooBy Maryann E. MillerI love this book. A friend had it on his coffee table after briefly flipping through the pages I knew I had to buy it. It shows different types and styles of bamboo, how to care for it and how to dry it for other uses as well showing varies ways others have utilized it. If you are a lover of bamboo, this book is a must.0 of 0 people found the following review helpful. FantasticBy Bradford BuecheAbsolutely fantastic book if you are looking for design ideas on for making bamboo furniture, artwork, fences etc. Has some very light-weight how-to's as well. Has an enormous number of high quality pictures. Just tons of great inspiration here! If you have no idea of how to even begin to build with bamboo, then this book does not go into great detail but its still pretty good. It should get you started.

Bamboo Style creatively shows how every room of the house can be designed, decorated or accented with sensual bamboo furniture, flooring, wall covering, ceiling material and accessories. The book showcases examples of easy and innovative bamboo decorating techniques and do-it-yourself projects. Bamboo Style inspires creativity and craft making, and includes a detailed resource section that makes it easy to connect with designers, manufacturers, artists, suppliers, and organizations. HARDCOVER PUBLISHED JULY 2002, HC ISBN: 1-58685-092-X Gale Beth Goldberg received her masters degree in architecture from MIT and her undergraduate degree in landscape architecture from the University of Wisconsin at Madison. The recipient of a grant from the Graham Foundation for Advanced Studies in Fine Arts, she studied the bamboo architecture of Simon Velez and builder/artisan Marcelo Villegas in Bogot, Columbia, in 1998. She lives in Santa Barbara, California.

Bamboo Style by Gale Beth Goldberg [is] crammed with good information about the many uses of bamboo -- Houston Chronicle, January 26, 2003
From the Publisher
The good news about bamboo is that it's upscale and sophisticated. The really good news is that it has a sustainable harvest that renews every five years. Using it is not only good for the earth, it's good for your image.
From the Author
Bamboo is sacred. It embodies the interconnectedness of all life on this planet.
