Painterly Pastimes : Beautiful Furniture That You Design: Painted Furniture Coloring Book Volume 1 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Beautiful Furniture That You Design: Painted Furniture Coloring Book Volume 1:

0 of 1 people found the following review helpful. Do not buy from this publishing company. By thetallestsweatersI bought this and the "Relax With Me" home layout book as Christmas presents, both of which are printed by the same publishing company. The prints are on cheap, thin paper and the prints are grainy and fuzzy. I feel too embarrassed to gift them to a person who likes therapeutic coloring books.

NEW! Create Custom Painted Furniture Designs Now you can "paint" your own custom-designed painted furniture

any time and any place. Here's the brand new coloring book just for you whether you love painting furniture or have never painted anything before. Paint furniture the easy and fun way - without the mess and expense - use your colored pencils to "paint" the curated collection of 35 furniture coloring pages inside. All images are on just one side of the pages for a better coloring experience.
