**Teri Dunn : Beautiful Roses Made Easy Southern (Jackson Perkins Beautiful Roses Made Easy)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beautiful Roses Made Easy Southern (Jackson Perkins Beautiful Roses Made Easy):

1 of 1 people found the following review helpful. Used as a Master Gardener. By James Thiele Excellent book on Roses - especially because it is ( this edition ) for southern climate .and North Florida in particular

Jackson Perkins is the leading brand of roses in America. Through years of development, Jackson Perkins now offers roses that have characteristics that allow gardeners to enjoy roses without all the maintenance requirements. Jackson Perkins Beautiful Roses Made Easy is available in regional editions and explains how roses can now be easy to grow and enjoy in any part of the country. Some gardeners have avoided roses assuming that they were too tricky, fussy, and difficult to grow. This book will help gardeners identify the roses that are easy to grow in their region of the country, and also give tips on how to care for and maintain them. Through six regional editions, Jackson Perkins Beautiful Roses Made Easy explains how breeding and testing provide modern-day roses that are much easier to grow, with better results. Regional editions give readers specific information on growing conditions in their area and the best roses for those conditions.

About the AuthorDunn is a writer and editor based in Massachusetts.
