Liesbeth Leatherbarrow : Best Bulbs for the Prairies (Prairie Gardener) before purchasing it in order to gage whether or not it would be worth my time, and all praised Best Bulbs for the Prairies (Prairie Gardener):

Filled with color photographs and essential information for growing all types of bulbs suitable for the prairie garden, Best Bulbs for the Prairies is an excellent resource and an inspiration for gardeners of all interests and skill levels. Features details on bulb selection and planting, spring, summer, and fall-blooming bulbs, growth cycles, landscaping

with bulbs, naturalizing, container gardening, fertilizing, charts, illustrations, and more.

"Since fall is a great time for planting bulbs, this book is a must-have for gardeners." -- Winnipeg Free Press
About the Author Liesbeth Leatherbarrow is a Fifth House Books author.
