Editors of Creative Homeowner : Best-Selling Ranch Home Plans before purchasing it in order to gage whether or not it would be worth my time, and all praised Best-Selling Ranch Home Plans:

1 of 1 people found the following review helpful. Four StarsBy Tamara J. CastlesGreat Ranch plans , not many we liked though.1 of 1 people found the following review helpful. nice bookBy C. Lemmonsome good ideas, but nothing is a stand out "you must buy this book" kind of plan. You can see a lot of these for free online. Still, it helps to have them condensed in a book for ideas and planning!1 of 1 people found the following review helpful. Innovative useful designs.By TBP/Man/VaMore modern designs. Better than any of the other ranch books I have seen.

With beautiful, full-color photography and illustrations, Best-Selling Ranch Home Plans offers readers 350 of the best-selling and stylish home designs in this perennially popular category. Sprawling one-stories, grand windows, and rustic porches are a few of the essential architectural elements found in these charming designs. This book offers a

wide variety of home styles and sizes within the ranch category to meet the budget of most readers, from starter homes to empty-nester homes. The book offers practical tips and advice to create the home of one's dreams.
