Editors of CPI : Black Decker The Complete Guide to Decks, Updated 5th Edition: Plan Build Your Dream Deck Includes Complete Deck Plans (Black Decker Complete Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Decker The Complete Guide to Decks, Updated 5th Edition: Plan Build Your Dream Deck Includes Complete Deck Plans (Black Decker Complete Guide):

2 of 2 people found the following review helpful. Excellent DIY Guidebook for DecksBy WombatExcellent general reference guide to building a deck. Considerable improvement over my dated diy deck books. Reviewed numerous deck books and selected the Black Decker as the most clear and comprehensive. Highly recommended.0 of 0 people found the following review helpful. Five StarsBy VICTOR ROJASexactly and perfect11 of 12 people found the following review helpful. Useful bookBy toolmanRead it from front to back. I'm going to build a deck this summer and wanted to learn all about it and figure out how to do it on the cheap but still be nice and have unquie features. This book helped me do all those things.I will note however that I ordered this from the vender "Why Pay More and Fast Shipping" and they gave me the 4th edition instead of the 5th...and it had rips in the covers, so watch out for them.

The most detailed, most current and most complete deck building book on the market. It reflects the latest changes in building codes and it features deck building materials that are popular today. The additional two signatures (32 pages) contain all-new deck plans with complete plan drawings. Updates to the materials section focus on new composite and non-wood deck building alternatives, as well as the current generation of deck hardware that resists corrosion caused by non-CCA pressure treated lumber. Step-by-step projects feature clever ways to customize and accessorize your deck to enhance both utility and enjoyment.

About the AuthorCreative Publishing international is a worldwide publisher of how-to books. The company's current retail offering includes over 300 titles on topics covering home improvement, home decorating, sewing, crafting, hunting fishing, and photography.
