Tom Lemmer : Black Decker The Complete Guide to Finishing Walls Ceilings: Includes Plaster, Skim-coating and Texture Ceiling Finishes (Black Decker Complete Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Decker The Complete Guide to Finishing Walls Ceilings: Includes Plaster, Skim-coating and Texture Ceiling Finishes (Black Decker Complete Guide):

0 of 0 people found the following review helpful. Classic book very helpful. By S. Bates I found this to be a wonderful book, with well laid out photos in color to see what to do. Also the reading was simple and straight forward, well explained. This is probably a beginner to mid level skill level read, it may have some tips for the experienced but it is

more geared toward weekend warrior or re modeler do it yourself types. It is very easy to read and informative with simple instruction or directions with many helpful tips and advice for finishing walls and ceilings. I highly recommend this book to others.0 of 0 people found the following review helpful. Fantastic Book for the DIY PersonBy Barry SharpeI was pleasantly surprised by the level of detail and expertise offered in this slim little volume. If there are any techniques or surfaces it leaves out I cannot detect them. It includes lots of photos, mostly very high quality color photographs, and lots of step-by-step instruction. I think my mother could refinish a wall with this book. I know my wife can. I'm already getting tired of wallpaper, if you know what I mean.So kudos to Black Decker for producing this slim but effective helper for us DIY folks who'd like to brighten the old cave from time to time.Have fun!0 of 0 people found the following review helpful. Five StarsBy Keith DoughertyOutstanding

Finishing walls and ceilings once meant nailing up some wallboard and slapping on paint or wallpaper. No more. Today's do-it-yourself can create dozens of different and exciting wall and ceiling finishes using materials now available at any home improvement center. Even basic wallboard installation is a new game, with curved walls, arches, and elaborate special effects easily achieved with innovative products aimed at the homeowner. Black Decker The Complete Guide to Finishing Walls Ceilings gives all the information needed to give walls and ceilings designer finishes.

About the AuthorTom Lemmer is the editor of several best-selling home improvement books, including The Complete Photo Guide to Home Improvement and The Complete Guide to Decks.
