Four StarsBy Ronald R.Lots of decent info.3 of 3 people found the following review helpful. Again the BD series shinesBy PartsgalNot as big and as informative as the BD Complete outdoor builder book but, Very colorful and some really nice project ideas. I would recommend it as not enough info on any project could hurt a DIY'er as myself.

Building a major addition to your house can take over your life or drain your bank account if you aren't fully prepared with top-notch information. The Complete Guide to Room Additions is both an insurance policy for dealing with contractors and a planning guide that arms homeowners with vital information about the remodeling process. But it also is much more than that: it's a hardworking how-to manual filled with hundreds of photos that show you the hammer-and-nail details that go into these major projects. From garage conversions to kitchen bump-out expansions, dormer additions and more, this book will be an indispensable tool for any project that adds new square footage to your home's footprint.
