Craig Lucas : Blue Window A Comedy before purchasing it in order to gage whether or not it would be worth my time, and all praised Blue Window A Comedy:

0 of 0 people found the following review helpful. Good PlayBy RobinI love this play. I bought this an let my friend borrow it. He hasn't returned it so I'll probs have to buy another copy.0 of 1 people found the following review helpful. Blue Window :: A Comedy?? Really??By LaurenI think the title of this book is deceiving because I hardly laughed

during this book, especially at the end. I thoroughly enjoyed the play and would love to see it performed live. This really is a great read for any theater student and has some amazing roles worth looking into. So if you're looking for the next play to add to your collection, try this one out, I assure you will not be disappointed.

Craig Lucas Full Length, Comedy/Drama Characters: 3 male, 4 female Unit set. A long running Off-Broadway hit by the author of *Reckless* and *God's Heart*. Before, during and after a Manhattan dinner party, the guests are revealed with touching comic irony as a cross-section of modern day humanity. The colorful cast includes a narcissistic actor, a parachute instructor, an aspiring songwriter, a secretary and a lesbian couple. "The function of the piece isn't to narrate the events of this typical New York gathering, it's to angle their disparate fragments into a picture of our life today, of its disconnections and the way in which they mysteriously connect us." -Village Voice "An affecting, funny account of a night in some lonely Manhattan lives." -WQXR "What *Blue Window* suggests with the evasiveness of its party chatter and the chill of its most searing monologue is that people are unknowable and life is made up of random pieces of a puzzle that don't fit together the way we think they should." -Newsday
