Bonsai: A beginners guide from Bonsai Empire a Kindle eBookBy CDP's Onceagain habit of purchasingI ordered this Kindle eBook, Bonsai: A beginners guide is a good book for me to beginning to learn something about the art form of Bonsai. If you ever considered this most rewarding pastime, you would surely get something from this book. I am not yet a bonsai enthusiast, but I am leaning hard into it at this time and this book is quite easy to read and get interested in, without feeling like you are just trending into another pastime. I have found it contains a lot of pertinent information about basic care and information to develop good technique. This book also contains information on history going back to the source in China and traces the interest to Korea and Japan. For \$3.99 its a bargain that all who are interested in bonsai should have in their book collection!7 of 7 people found the following review helpful. I simply love this book. The images are of great quality. The information is very useful. Many members of my bonsai society have recommended and referenced from this book.
Inspirational and informative!

How often do I need to water my Bonsai? Should I prune my tree? Although caring for a Bonsai tree is not nearly as difficult as most people believe, you need to learn about some basic techniques in order to keep your tree thriving. Our beginners guide contains all the essential information you need in order to succeed. It covers the basic techniques, well illustrated with over a hundred images, and explains everything you need to know in an understandable way. Bonsai Empire is the world's most visited Bonsai website and has provided beginners with quality information for over a decade. We have developed this guide to help you get a taste of this fascinating and living art, and hope you'll enjoy it as much as we do!
