**Henry Durden : Bonsai: Bonsai Care:: The Ultimate Guide To Bonsai Tree Care (Watering, Growing, Botanical, Home Gardening)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bonsai: Bonsai Care:: The Ultimate Guide To Bonsai Tree Care (Watering, Growing, Botanical, Home Gardening):

3 of 3 people found the following review helpful. A must read!  
By Dan Jonson  
Bonsai caring is a form of art, and if you want to do it right, you need to follow very specific guidelines that will help you grow a beautiful bonsai yourself, otherwise you'll probably end up wasting time and money and not getting the results you want. I honestly think this book is a must read for anyone beginning in the art of bonsai caring, since it is full of helpful and easy to follow advice and techniques for growing a beautiful, strong, healthy bonsai. My favorite part of the book was chapter 5, where it shows you exactly how to prune and wire your plant to give it whatever shape you want. I will definitely recommend this book to my family and friends.

By Kindle Customer  
My green thumb is in every way brown. I wanted a bonsai tree so bad but I felt there was no way I could keep it alive. I always knew Bonsai trees needed a more care than most plants, but I never knew just how much more care. You will learn a lot about caring for a bonsai tree in this book. I was very happy with this beginners guide as the right choice to getting started, growing and maintaining my own bonsai tree.  
0 of 0 people found the following review helpful. Everything one must know about Bonsai!  
By Kourtney Kane  
This book is a superb read which tries to cover everything there is to know about Bonsai and how to take care of the plant. The book gives a brief explanation about the evolution of Bonsai and then goes on to explain the various factors that come in while choosing a plant and how exactly you do it. It also gives some useful tips regarding how to take care of the plant. Overall, I highly recommend this book.

**Bonsai: Bonsai Care: The Ultimate Guide To Bonsai Tree Care, Watering, Growing, Botanical, Home Gardening**
