"necessary" for anyone who (like me) wants a ref. source for business ideas tips. I've worked in management for many years, but didn't have much information on landscaping management at the time when a friend asked me to help him manage his business. I can't say how much this will help you if you're starting from scratch, with no experience, but for someone who has some management or sole-proprietorship experience, this book is very helpful.0 of 0 people found the following review helpful.
