This book can transform the way you look at your home no matter how old or what condition in it is. It will also transform your heart no matter how old or what condition it is in. Leah speaks from her transformed heart and love for design.Would be perfect Wedding, house warming, or any occasion gift.0 of 0 people found the following review helpful. Reducing The Clutter, To Be Organized and More ProductiveBy Knarvia H. Smith,Since, it's been said, :Cleanliness Is Next To Godliness", I decided to search out resources to assist in this effort. Saw this author on a TV talk show and read about her in a magazine. I'm intrigued by the fact that this author is being led by the Holy Spirit, in this work. Leah uses appropriate scriptures, throughout this awesome work. Okay, God's screaming at me, " How many hints do you need?" Not to mention that this author is a southern woman who wrote this book from my home city and state, New Orleans, La. What a confirmation that this was a course of study,I'd need to utalize in my home.i got on line, searched for the book and ordered it through . Great book and resource. Of course, i haven't completely reformed, all the clutter. But I have a

good resource when i decide to completely transform my surroundings. And yes, I do know this should happen sooner than later. God is not finished with me yet. i truly thank Him for that!!!8 of 8 people found the following review helpful. Interior Wisdom: Designing Your Heart and Home for the Lord By Oceangram This is such a peaceful and serene book in pictures and words. Her words are wisdom from the ages and most inspiring. It is not a 'preachy' book but rather encouraging, stimulating, and I loved it. I am sending it to my 4 nieces who are just establishing homes and hospitality as newlyweds. Just a lovely book in every way. Interior Wisdom: Designing Your Heart and Home for the Lord

Just as feng shui embraces the spiritual teachings of the East to create harmonious spaces, this design resource illustrates how to use Christian inspiration to transform a home into a peaceful, beautiful haven. Every aspect of the design process is covered in depth, including creating a vision, tackling prep work, developing a plan, selecting a team, meeting requirements, and completing the project. Ideas center on design principles that are tied directly to biblical principles and each chapter includes a section with an inspirational verse and a centering prayer.
