Joseph A Vassallo : International Award Winning Pools, Spas, and Water Environments IV before purchasing it in order to gage whether or not it would be worth my time, and all praised International Award Winning Pools, Spas, and Water Environments IV:

Over 180 color photos display the GAVA (Global AquaTektore Visionary Awards) worthy pool, spa, and water environment concepts created in rural and urban, beachfront and villa properties. The 66 award winning projects presented here are memorable, distinctive, and noteworthy applications. The fourth annual water-inspired design competition lured architects, interior designers, builders, and designers from across the globe.
