Virginia Martino, Joseph M. Vassallo, Mary Vail : International Award-Winning Pools, Spas, Water Environments III before purchasing it in order to gauge whether or not it would be worth my time, and all praised International Award-Winning Pools, Spas, Water Environments III:

Revel in the extraordinary expressions of water-inspired architecture known as AquaTecture! Discover the vision and construction challenges imaginative designers faced to craft the inspirational designs shown here. Unconventional, daring, and creative are only some of the words used to describe these pools, spas, and water environments. Now in its third year, the Global AquaTecture Visionary Awards (GAVA) features 59 exceptional installations. View magnificent visions of artisans who garnered these coveted awards. Over 190 color photos take you on a private tour around the globe to view awe-inspiring, prized design applications. Enjoy projects that exemplify AquaTecture,

including water-inspired architecture from exclusive residences in Australia, Acapulco, and Austin, to the Swarovski Crystal Sparkling Hill Resort holistic spa in Canada and Francis Ford Coppola's Winery in California.

About the Author Visionaries Joe Vassallo, Virginia Martino, and Mary Vail, founders of the Las Vegas-based Three V Enterprises (3VE) established the GAVA: Global AquaTecture Visionary Awards in 2008. Each year, 3VE commemorates the GAVA winners by publishing a book of their esteemed works.
