**Pierre Passebon : Jacques Grange: Interiors** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jacques Grange: Interiors:

0 of 0 people found the following review helpful. Every page, a masterclass in rarified taste. Essential Interior design reference.By J. CrockerA visual feast.... Interiors by a designer who operates in the realm of connoisseurship and rarified taste. Virtually every page is a master class by one of the all-time greatest designers. Grange could work in a vast spectrum of styles.... from lush, rich, densely packed rooms to lean, spartan spaces... in settings of Antiquity, Classicism, Exoticism, 20s/30s modernism, or Mid Century Modern. Essential for anyone who cares about interior design. One complaint: Too little description of the rooms and their contents. Just a few short captions in back pages.0 of 0 people found the following review helpful. Five StarsBy artem exerceoExcelent book. Grange is a true genius0 of 0 people found the following review helpful. excellentBy isa really nice book and such a nice interior work. A good summary of one of the greatest contemporary interior designers.

The first book on this leading interior designer, who has worked with Yves Saint Laurent and Valentino, and was named one of the world's most influential designers by Time magazine. Combining good taste and audacity is a subtle art that interior designer Jacques Grange has perfected for over four decades. This volume is an all-access pass inside the luxurious homes created by this master interior designer. From rococo opulence to modern chic, and with Oriental and North African influences blending with Western styles, Grange's touch is unique.

Jacques Grange Interiors, the first, long-awaited monograph from Paris-based interior designer Jacques Granges, delivers. A groaning board of beauty, the book offers many singular, sophisticated, thoughtful, carefully composed interiors that, as a composite, become a visual feast conveying connoisseurship (both Granges and his clients) alongside a distinctive French vision of contemporary living in a grand manner unburdened by tired tropes or design formulas. A catalogue of the expected, this is not. ~1stdibs.com Our latest obsession promises to provide endless inspiration for years to come. ~Loftlife Combining good taste and audacity is a subtle art that interior designer Jacques Grange has perfected for over four decades. ~French Culture About the Author Pierre Passebon is the owner of boutique galleries in Paris and New York and the author of a monograph on sculptor Alexandre Noll.
