Jamie Durie : Jamie Durie's The Outdoor Room before purchasing it in order to gage whether or not it would be worth my time, and all praised Jamie Durie's The Outdoor Room:

0 of 0 people found the following review helpful. Five StarsBy Joe JGreat book!0 of 0 people found the following review helpful. The color photographs are beautiful as wellBy CustomerIf anyone is planning on building a patio area, this is a must read. It gives in detail all of the steps that you need to take from designing a small to a complete outdoor living area. I wish I could afford to have Jamie come to my house. I know he would design something that would make me say WOW!. The color photographs are beautiful as well.0 of 0 people found the following review helpful. Five StarsBy joe mgreat ideas

"Jamiehas quite simply changed the way we live outdoors . . . and he does it withsuch genuine passion that it's impossible not to be caught up in, and inspiredby, his energy."
